Section I – Manufacturer’s Contact Information

Fresh Hemp Foods Ltd.
69 Eagle Drive
Winnipeg, Manitoba, Canada R2R 1V4

Section II – Exemption Statement

In Canada, this product is regulated under the Gov’t of Canada Food and Drug Act and does not require a SDS to be transmitted. This product does not meet the criteria to be included in a hazard class under WHMIS 2015 Global Harmonized System (GHS) nor a category under the Hazardous Products Act or Regulations (HPA/HPR). Therefore, a SDS cannot be created.

In the U.S., this product is regulated under regulations of the Food, Drug & Cosmetic Act. It is not a hazardous substance as that term is defined by the OSHA Hazard Communication Standard, 29 CFR §1910.1200 and SDS’s are not required for this type of product. You are not required to obtain and provide employees with a Safety Data Sheet for this product.

This product does not contain any chemicals subject to the reporting requirement of 40 CFR 355, 370, 372 (SARA Section 313)

Transport Information: This material is not regulated by the U.S. Department of Transportation (DOT) and/or International Air Transport Association (IATA).

EU: This product is not classified as “Dangerous” according to the health and physical properties criteria of the EU Directives on the classification of substances and preparations.

Australia / New Zealand: All products are excluded from the WHS Regulations as they fall within the Food Standards Australia New Zealand Food Standards Code. Our products are in the form intended for human consumption and therefore excluded from the scope of the WHS Regulations.

*You may be sure that every effort is made to provide customers with a product which is properly labeled and safe for its intended use. It is the user’s responsibility to determine safe conditions for use of this product and assume liability for loss, injury, damage or expense resulting from any misuse of this product.
